

## Planned Composite Door Glass Design Withdrawal

Please accept this email as notification that the following ranges of decorative glass for our Safeguard composite door range will be withdrawn from sale by the end of May 2019.

This decision has been made to allow additional (more contemporary) designs to be added, as we continue to provide more door options for our range.

Please ensure that any orders with these designs that you have, are ordered for delivery in May, or that you have communicated with the Heritage office your requirements, so we can ensure we maintain our service to you.

In the future should you require one of the withdrawn designs as a match up or replacement unit (not remedial) please be aware that these may be subject to a significantly longer lead time and potentially additional cost.

The following designs will be withdrawn –

All Crystal Bohemia, Crystal Harmony, Crystal star & Crystal Inspiration designs

All Elba designs.

English rose

All Fusion Ellipse designs

All Murano designs

All Venetia designs

Should you wish to discuss this matter in greater detail please don't hesitate to call me or a member of the sales team.

Kind regards
